

Property Repair & Maintenance Evening Event

Tuesday 3rd September 5.30pm -7.30pm

Does your property need some TLC?

Repair and ongoing maintenance of properties is becoming ever more critical...

To that end we have organised an evening event to provide building owners with the tools required to ascertain their buildings' condition, and demonstrate how to carry out repairs and ensure correct maintenance of their property.

Vital information will be provided to help you:

- Find out the condition of your property
- Find out the process required to repair and maintain your property
- Learn what funding options are available to you
- Get tips on getting your neighbours together to carry out the works
- Speak with knowledgeable professionals who can start you off on the right track
- Pick up information/leaflets to help

There will be short presentations from:

[Jo Parry](#), Hypostyle Architects, Caring for your building
[Paul Zochowski](#), East Lothian Council, Experience of property repairs & advice
[Colin McCorquodale](#), NFRC, Best roof repair practice
[Marcus Paine](#), Stone Federation, Defective stonework and best repair
[Dorothy Hoskins](#), Historic Scotland, Advice on repair and maintenance
[Simon Roberts](#), Scottish Government, Information on the Tenement Act

Following the presentations there will be help desks available where people can ask questions or get further information/leaflets.

Venue: John Gray Centre, 15 Lodge Street, Haddington, East Lothian

Time: 5.30pm - 7.30pm (refreshments provided)

Please RSVP: conservation@hypostyle.co.uk
