

Garvald Knitting Group

Monday nights in The Stables

7pm until 9pm

We are knitting more poppies to add to the display we made last year but we are also knitting other things for charity or for ourselves. Even if you can't knit please come along and we will endeavour to help you learn whilst we have a blether.

There will be tea/coffee and biscuits available for a small donation.

Please come along and join us for some fun and friendship on an autumnal evening.
