

To: All residents of Garvald and Morham ward

Rural support for All (2025 edition)

Following the success of last year's roll out which saw over 50% participation, once again all households in the ward are now eligible for a small payment. This payment is administrated by Garvald and Morham Community Council with Crystal Rig Wind Farm Community Benefit Fund in recognition of the limited choices available when selecting services to rural homes, including fuel bills, transport and broadband options.

The 2025 amount will be £150 per households.

Please note that the GMCC support is available to homes in Garvald and Morham Ward only and applications will be checked against the Ward address list provided to us by East Lothian Council.

If you did not apply last year, you will need to attach a photo of the address panel of your 2025-6 Council Tax letter, clearly showing your address. If you sent this last year we do not need to see it again.

Please note your data will be held as per [Garvald and Morham Community Council Data Protection Policy](#). Data requested for Rural Support Payments will be the minimum required in order to process the application, used only for this purpose, and deleted after the project is completed. Our reports to funders will not include any personal data. If you are not happy for us to collect and store your data in this way but wish to claim the fund, please do not complete this form but contact us at secgmcc@gmail.com so we can help you.

Only one payment can be claimed per household so please confer with others before completing this form.

Deadline for applications is 30th November 2025

This project is run by Garvald and Morham Community Council. We can be contacted at secgmcc@gmail.com for any queries.

To find out more about the work of GMCC and for information on events in the Garvald and Morham area, please sign up for emails at www.garvald.org.uk or follow the Facebook page garvald.org.uk
