#### **2. Minutes of last meeting and matters arising**

##### **Yester Nursery Funding Changes**

(GM) The issue is ongoing but will be raised in council next week.

#### **4. Community Payments Scheme**

(AD) We have simplified the procedures this year which makes the administration much easier. Despite the difficulty of contacting everyone, the message has spread this year and the number applying for the grant has increased by 42. We have reached 68% of eligible households.

The online form has been used by the majority of applicants with 32 people applying by post or email. We have paid out £21,000 this year.

We will repeat last year's satisfaction survey in the coming weeks.

AD will step down from this scheme now and RH will take over in 2026.

A Vote of Thanks was passed to recognise Anna's initiative and hard work in this project,

#### **5. Treasurer's Update**

The account stands at £34,154.39

#### **6. Haddington and Lammermuir Area Partnership**

The meeting held on 27th November was well attended and a number of applications were approved. (See Addendum 2)

The new area plan is now in progress.

**7. Update: Garvald & Morham Representatives**

**Morham (DM):**

Morham Village Hall is busy with activities and planned Christmas events.

Plans are underway for the Morham Battlefield Cross to be installed in Yester Kirk, Gifford.

**Garvald (GM)**

GVHT AGM was held and well attended. All committee members were re-elected but two trustees gave notice of their wish to stand down. The meeting also included a presentation on the Spanish Civil War was also given.

The Christmas Market was very successful raising over £700 for hall funds and substantial donations for the Lammermuir Larder in Haddington.

Planned events this month include the Children's Christmas party next Sunday and a multi-generational Hogmanay Hoolie.

This is no update on the hall windows project.

**8. AOB**

**Blister Pack Re-cycling**

RH asked if there was any way that we could promote the re-cycling of medication blister packs which are usually disposed with landfill rubbish. Boots will now take them for re-cycling.

GM will raise the issue with ELC to see if collection can be organised.

**Minute Taking**

RH also asked if anyone had experience of using AI note-taking apps which might help to reduce the workload of minuting our meetings in future. No one had, but it was agreed that, in future, speakers would be asked send brief written summaries of their contributions and points to be raised to the Secretary in advance of future meetings. The request will be made when the agenda is published.

**Police Report**

PC Corolla has moved on and will be replaced in the coming weeks.

Two incidents have been recorded, the theft of a bicycle and an intended theft at the same location.
