SUMMER SCHOOL

Our very first Summer School will offer young people a great way to socialise and learn new skills during the long Summer Holiday. With Specialised Workshops in Stage Make-up, Vocal Skill's, Movement and Technical Theatre we aim to create a brand new piece of cutting edge theatre. This Summer School is 100% flexible as we allow for you to dip in and out depending on your Summer plans. You can also choose to have your lunch provided by us as an add on option when booking.
